Student Council Elections

We will be having our Student Council speeches and election on tomorrow, Wednesday, September 13th. If your child would like to become a classroom representative, they will need to prepare a short speech to give/read to the class on Wednesday morning. Those who expressed interest were given a paper to help them prepare. Please take a minute to review the expectations and requirements for Student Council. If you have any questions please give me a call.

Accelerated Math

Each third grader now has an Accelerated Math packet. This is a self-paced math program that provides practice and challenging problems with third grade objectives. As students work through practice packets and testing packets they are able to master their assigned objectives. After they have reached 75-mastered objectives they are able to choose a piece of "Eagle Gear." I encourage students to complete at least one packet every couple of week. Please keep a lookout for these and help as needed.

Important Dates

Sept. 13 – Student Council Elections

Sept. 14 – School Pictures

Sept. 18 – Chapter 1 Math Test

Sept. 22 – Homecoming Parade

Chapter 1 Math Test

We will be taking our first Go Math Chapter 1 test on Monday, Sept. 18th. We will be working through chapter review questions on Thursday and Friday. Please make sure you look over these questions because they will be very similar to the assessment.

Reminders

- Students will have math homework most nights, Monday through Thursday. Please check over your child's homework and make corrections as needed.
- Students should be reading at least 20 minutes each night.
