November 7, 2017

## Address and Phone Number

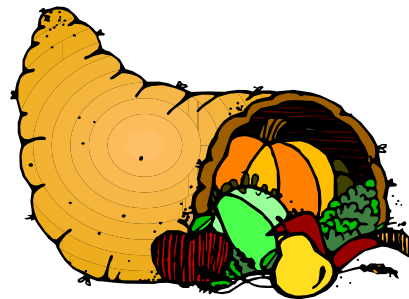

After our school Safety presentations, I have decided to have student review and/or learn their home addresses and home/parent's numbers. In this week's Tuesday Folder you will find an index card. Please help your child write down their physical address(es) and home/parent(s) phone number.

## Multiplication Facts

Don't forget to work with your third grader on their multiplication facts. We have been making flash cards that you can use to help your child practice. There are also numerous apps and games available for practice on tablets and smartphones. Your child should be able to recall each fact within 3 to 5 seconds. Thanks for your help.

## Poster Contest

In today's Tuesday Folder you will find information about the **Elks Drug Awareness Poster Contest**. If your child would like to participate, I have enclosed a 8.5 x 11 piece of paper. All entries must be completed as specified and returned to school by Friday morning, November 17. For ideas, look through the enclosed coloring book of past winners.

## Correct and Returns

As you check through your child's Tuesday Folder, please be on the look out for "Correct and Return" papers. Please help your child make corrections and return the corrected assignment to school. I will make adjustments to their grade for that assignment. I feel that we can all learn from our mistakes.

## Food Drive

3<sup>rd</sup> graders are collecting food for a local Food Bank. If you would like to donate please send in cans and boxes of food until Nov. 17<sup>th</sup>.

## Important Dates

Thanksgiving Feast – Nov. 16<sup>th</sup>

Midterm Reports – Nov. 21<sup>st</sup>

Thanksgiving Break –  
November 22<sup>nd</sup> - 26<sup>th</sup>
