Notes and Reminders

- Thursday, Oct. 18th is our **field trip** to the Black Canyon. All students will need a sack lunch, snacks, drink, good walking shoes, and a jacket. (See permission slip in today's Tuesday Folder)
- The end of the first quarter is Friday, October 19th. All AR reading goals must be met at that time. That leaves us only with 8 school days. Please look over your child's AR update in today's Tuesday Folder to see how they are progressing.
- We are finishing up our social studies unit on geography. Then we will be starting our first science unit on geology and the rock cycle.

Multiplication

We will be finishing up Chapter 2 in Math right after we return from Fall Break. Chapter 3 begins our focus on multiplication. This would be a great time to start working with your child on their multiplication facts.

Reading Buddies

We would love to have parents and grandparents volunteer in our classroom during our daily reading block from 10:45 to 11:45. I am looking for helpers to read individually or in small groups with my third graders. If you are interested please let me know
