

Kindergarten News 11-14-17

This is a busy week as we will be making pies, rolls, butter and practicing for our Thanksgiving program. The Thanksgiving lunch prepared by the lunch ladies is this Thursday at 11:15 for kindergarten. The children will make 3 pumpkins pies for after the program, and the lunch ladies will make a pan of pumpkin pie for us, also.

We may need a few more pies in order to be sure there is enough for everyone who attends the program. If you would like to bring a pie, other than pumpkin, please let me know.

The program is this Friday at 2:45 on the stage by the preschool. It will only last about 15 minutes and then we will eat pie. I hope you will be able to join us.
