

## Kindergarten News 1-23-18

**Last week the children wrote a paragraph about snowmen after we read the story “Snowmen at Night”. They made a picture of a snowman with construction paper. Their creations are hanging on the wall by the school library. They did a great job!**

I am enclosing a list of 50 sight words we will be learning to read and write. We will practice these words at school, but I don't plan to formally assess them. Feel free to go over them with your child at home.

With snow and colder temperatures finally arriving, please remember the children will still go out to recess unless it is below 20 degrees. If you send your child in boots be sure they have a pair of tennis shoes for PE. They have PE every Monday and Wednesday and every other Friday. This coming Friday is a PE day.
