Last Wednesday Jeanette Gerry visited our classroom and read the book “The Dragon, the Butterfly and the Magical Moon”, which she wrote and published. The illustrations were done by her grandson, Zachary Custer, who is Wendy Kossler’s son. The children enjoyed the story. Jeanette, her husband and their friend loved visiting with the children!

Today we will have fun with 100th Day activities!
I will see some of you for conferences on Monday the 12th, starting after school.

We will have a Valentine’s Day party in the classroom on Wed. The 14th, from 2:55- 3:25. Please send valentines to school with your child that morning, just signed with their name, for easier distribution. We will open the cards at the party. You and younger siblings are welcome to join us.
