Kindergarten News 2-13-18

Last Tuesday was the 100th day of school. The children made caterpillar hats with counting by 10's to 100, they did 100 exercises, wrote 100 letters, and made a snack with 100 pieces of food items. Some of the children chose to write the numbers from 1-100 during their free choice time. It was a fun day!
