Kindergarten News 4-10-18

Thank you so much for your response to our class book! We completed the book last week and I shipped it to Studentreasures Publishing. We should receive the published copies around the 2nd or 3rd week of May. We will celebrate their arrival with a publishing party with our second grade buddies!

This week we have started a unit about plants and seeds. This unit will continue into May, with hands on and outside activities included.

Friday, April 27th we will visit Paonia Care Center and sing to the residents. Have an enjoyable spring break next week!
