

Kindergarten News 5-1-18

We were so excited to have our published book arrive! For our publishing party on Monday, our second grade buddies visited and read the book with us. Then we went outside to have popsicles and extra recess. The second graders are also having a book published. They will share it with us when it arrives.

Mrs. Morgan set up an incubator in our classroom with some pheasant eggs. We will add quail eggs to the incubator when they arrive on Wednesday. They should hatch around the 21st of May.

Wednesday, May 2nd, PES is having a Family Nature Night. Join us for pizza and fun activities from 5pm- 7pm. There will also be a book fair from 3:30-7pm.
