

Step Into Second Grade

March 27, 2018

We are having writing adventures! So many different stories! Ben and Gunnar are making a comic story. Kam and Mason are working on a super adventure. Emberlee is working on the map work for the her and Addison's group who by combining geography to a cat's journey. Renee and Laylah are working on something to make readers smile. Adrian and Leah are persuading readers to appreciate cats.

We had a great time learning about local agriculture and wildlife. One of our favorite stations was the Division of Wildlife station. We were able to get up close to furs and antlers.

Thank you for the snack donations that came in this week.
