

## Nursery Rhyme Play

Our play will be on  
March 29th @ 2:45. If  
you'd like to help with  
scenery and costumes,  
please email me:

**Spring is around the corner! We will enjoy all of the moisture this year. In fact, we are already talking about plants, gardens, and spring. We will be starting tomato plants with a local farmer in a few days. We are also measuring how our tulips are growing in the school garden. It's amazing how fast they pop out.**

We are at such a big step in our learning and reading! Your children are blooming, blooming, blooming. I'll send home reading bags that can come back to school each Friday and I'll fill them to take home on Mondays and Tuesdays. Please remember that these bags and snap words are resources for you to use when you can. I hope you and your child will enjoy the time spent reading.
